

NRDC @ IUCN World Conservation Congress

Barcelona, October 2008

www.nrdc.org/barcelona

NRDC is a nonprofit environmental organization with more than 1.2 million members and online activists. NRDC lawyers, scientists and other specialists work with institutions, groups, businesses, and individuals around the world on the key environmental challenges facing the planet, including climate change, oceans, wildlife and wilderness, and toxics. NRDC has been a member of IUCN since 1975. NRDC's staff of more than 400 work out of offices in New York, Washington, Chicago, Los Angeles, San Francisco, and Beijing.
