PASL Number	Date Collected	Date Analyzed	Collector	Sample Location Description	Conductivity	рН	Total Dissolved Solids
					μ\$/cm		mg/L
1018578	2022/06/07	2022/06/20	A. Harrell	Pontiac Bldg East Cell House Fl 1 Rm Cell 103 Inmate Cell Sink C	724	7.97	353
			*Inmate had mattres material over sink spout as a filter. Sampled with mattress material dripping into sample bottle.				

Disclaimer: Results from Phigenics analytical test methods do not provide enough evidence to ensure that hazards from pathogenic microorganisms or chemical hazards have been eliminated or controlled, nor that risk of harm from such hazards have been reduced. Results from Phigenics analytical tests should only be interpreted within the context of properly designed and implemented water management programs. No guarantee regarding results is expressed or implied. Phigenics analytical test methods and the results produced are provided on an "as is" basis. Results relate only to the sample(s) received by the Phigenics laboratory in connection with this Validation Test. The user assumes total responsibility and risk for the use of the Phigenics analytical test(s) and the results from the test(s). PHIGENICS IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY DAMAGES ARISING OUT OF YOUR USE OF PHIGENICS ANALYTICAL TEST METHODS AND RESULTS. This report shall not be reproduced except in full and with the written approval of Phigenics LLC.
