

Arkansas Survey Results

Q1 Do you approve or disapprove of the job Congress as a whole is doing?

Approve 4%
Disapprove 91%
Not sure 4%

Q2 Overall, do you think the country is headed in the right direction, or do you think things are off on the wrong track?

Right direction 18%
Wrong track 75%
Not sure 7%

Q3 As you may know, the U.S. Environmental Protection Agency, or the EPA, is the federal agency that protects the environment and public health by regulating pollution to keep it out of our air and our water. In general, do you support or oppose the work of the EPA?

Support 52%
Oppose 34%
Not sure 13%

Q4 In thinking about the role the EPA plays, do you think the EPA is doing too much, not enough, or just the right amount to protect health and the environment?

Too much 37%
Not enough 40%
Just the right amount 14%
Not sure 9%

Q5 Currently, there are no limits on how much carbon pollution power plants can emit. The EPA is planning to propose standards limiting carbon pollution released by power plants into the air. Do you favor or oppose these standards?

Favor 51%
Oppose 35%
Not sure 15%

Q6 Who do you trust to decide whether there should be limits on carbon pollution: the scientists and experts at the EPA or politicians in Congress?

Scientists and experts at the EPA 65%
Politicians in Congress 8%
Not sure 27%

Q7 Some say that the new EPA regulations are going to kill American jobs. The coal-based electricity industry supports 760,000 jobs in the United States. Enacting these new regulations puts these jobs at risk, and will have harmful and lasting consequences for our economy and our families. Others say that the new EPA pollution safeguards could spark innovation and result in a net increase of 210,000 jobs by upgrading older power plants and increasing energy efficiency. These are good-paying jobs that can't be outsourced. Which comes closer to your view?

The new regulations will kill jobs 36%
They will create jobs and innovation 41%
Not sure 23%

Q8 (Question Sponsored by NRDC Action Fund) If the election for U.S. Senate were between a candidate who supports the new EPA regulations to set limits on carbon pollution and a candidate who opposes them, would you be more likely to vote for the candidate who supports the limits or the candidate who opposes them?

A candidate who supports the regulations 42%

A candidate who opposes them 34%

Not sure 24%

Q9 (Question Sponsored by NRDC Action Fund) If Senator Mark Pryor voted to block the EPA from setting standards to limit carbon pollution, would that make you more likely or less likely to support him for re-election next year, or would it not make a difference?

More likely 18%

Less likely 32%

Wouldn't make a difference 45%

Not sure 6%

Q10 If you are a woman, press 1. If a man, press 2.

Woman 49%

Man 51%

Q11 If you are a Democrat, press 1. If a Republican, press 2. If you are an independent or identify with another party, press 3.

Democrat 38%

Republican 27%

Independent/Other 36%

Q12 If you are Hispanic, press 1. If white, press 2. If African-American, press 3. If other, press 4.

Hispanic 4%

White 77%

African-American 14%

Other 5%

Q13 If you are 18 to 29 years old, press 1. If 30 to 45, press 2. If 46 to 65, press 3. If you are older than 65, press 4.

18 to 29 9%

30 to 45 30%

46 to 65 37%

Older than 65 24%
