

Delaware River Basin Commission (DRBC)

The Delaware River Basin Commission (DRBC) regulates over 200 water utilities within the Delaware River Basin, which covers territory in 4 states: Delaware, New York, New Jersey and Pennsylvania. The DRBC requires annual submission of the AWWA Free Water Audit Software from all utilities under its jurisdiction.

DRBC's description of its audit program: <http://www.nj.gov/drbc/programs/supply/water-audit-program.html>
