As the authorized representative for these projects, I agree the dates presented above are consistent with the schedule outlined in the City of Flint's October 30, 2018 letter from Robert Bincsik, Public Works Director to Linda Holst, Director and Anthony Ross, Deputy Project Manager at the Region 5 Office of the United States Environmental Protection Agency, with the exception of the dates that were in conflict with the Drinking Water and Municipal Assistance Division Unilateral Order No. 399-09-2018 as described in the October 22, 2018 letter from DEQ Director C. Heidi Grether to The Honorable Karen Williams Weaver, Mayor of Flint. A separate detailed milestone schedule for each proposed project will be negotiated once the City of Flint awards design contracts so final Plans and Specifications and Notice to Proceed dates can be assigned based on contract timelines.
