May 20, 2014

U.S. Senate Washington, DC 20510

Dear Senator:

The undersigned organizations urge the U.S. Senate to pass the EXPIRE Act as soon as possible. The EXPIRE Act will extend the tax provisions that expired at the end of 2013. These tax provisions benefit a wide range of taxpayers, including associations, businesses, individuals, community development organizations and non-profit organizations and are important to U.S. jobs and the broader economy.

The lack of timely action to extend these provisions injects instability and uncertainty into the economy and weakens confidence in the employment marketplace. Moreover, the extension of the expired provisions should not be delayed until the end of the year since companies are making decisions right now related to taxes that will have an immediate impact on the economy.

We urge you to pass these important tax provisions as soon as possible.

Sincerely,
