We will be convening two workshops to finalize the governance and decision-making process for the implementation of the VA program and would very much welcome your involvement. By joining these workshops we can make sure your perspectives and expertise are included as we develop an inclusive governance structure. Even if you don't think the VA's are necessarily the best path forward, your input is critical in mapping out how decisions are made.

These meetings will be facilitated by Compass Resource Management and they can provide additional meeting details if you are able to attend. The meeting dates/times are:

- May 6, 11:30am – 2pm
- May 16, 9:30am – 12pm

Please contact Erik Loboschefsky at erik.loboschefsky@water.ca.gov if would like to participate.

Thanks,
Karla.
